PROFILE

I'm a passionate Front-End Developer and Tech Content Creator, currently studying BIT at Tribhuvan University. I build responsive, accessible web apps using HTML, Tailwind CSS, JavaScript, React, and Swiper.js. I've developed educational platforms, portfolio sites, and student-focused tools—like the BIT Batch 2081 website. I've also participated in hackathons like Coder's Hustle 1.0 and am committed to creating clean, user-friendly digital experiences.
